# Taking Care of Veteran's and Their Families

## - The Kay Zern Community & Veterans Outreach -

There are 22 Veteran Suicides each and every DAY. This is unconscionable! Our overall goal is to raise awareness and do our part to reduce this number of Veterans who are so despondent that a permanent solution to their suffering is chosen. The time of year when crisis process awareness and intervention becomes most critical is Thanksgiving, Christmas, and the New Year holidays. As a community your help and involvement are needed now more than ever. Please consider attending a presentation near you to gain a strong understanding of the the depth of crisis needs and how you can become proactive.

**Together, we can save a life! Here are some ways you can help;**

### • **Call 988 for the Veteran suicide hotline**

**988**, can be dialed from anywhere. Have this suicide hotline number always available.

- Find the contact info to the VA office for your county.
- Find the contact info for the VA Medical Center nearest you.
- Realize that your call to intervene on behalf of a Veteran in crisis, may be the difference in saving a life. If you have that "feeling" of help may be needed, make that call!

## Coming Events at...

Wednesday - Sept. 11th (9/11)  
- a special presentation with  
Meet-n-Greet. Starting at 6:00 pm  
at Tony's Pizzeria In Robesonia, PA

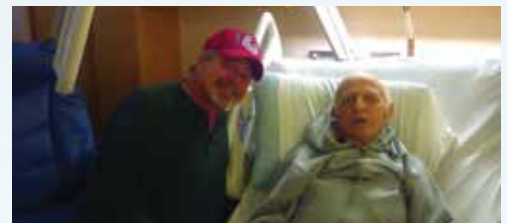

Fri. Oct 4th:8-4 & Sat. Oct 5th:8-2 With  
interactive appearances. SML from the  
Expo Ctr. at 11 am.Plenty of brochures,  
flyers, handouts, and "I Can Save a Life"  
merchandise will be on hand!

To Be Announced,  
please contact for date.

## The Sal Santori Radio Show

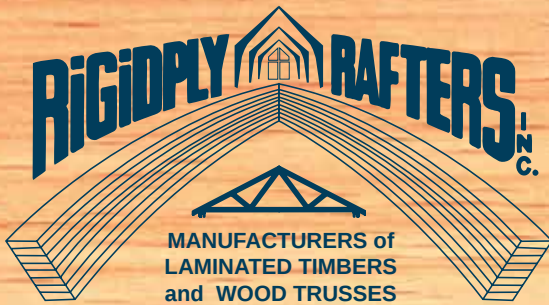

To hear the most recent show as well as previous  
podcasts - You Tube, Sal Santori & on X @SantoriSalon  
Contact in Central PA, write to sal@thekzcvo.org

Sal has been helping the public with understanding the need for public awareness of our Veteran's & Families sacrifices and needs. This has been his mission for the past 10 years. He has done one on ones with people in positions of power in efforts to learn their level of understanding along with garnering their support. According to Sal, "We have found success on many levels by learning of Veterans who have made lifesaving decisions vs life ending. This is the precise purpose of the podcasts, getting information to our Veterans & Families. The public speaking events, press conferences, and seminars, are all done to accomplish making our culture aware of the sacrifices, effects, and post service needs of our Veterans & Families. As Troops, we do the unthinkable and unimaginable, the subsequent impact is on par and life long, it never goes away. This is what folks need to know".

Sal has also been a resource for our Veterans & Families. Over the past 10 years we have helped widows to navigate the VA system to secure documents, to become aware and realize they were entitled to benefits, and through the show, hosted weekly forums for surviving spouses from Coast to Coast to advocate and lobby both Congress and the D.O.D. to repeal the "Widows tax." Finally, after a 25-year battle, they were able to secure the payments to which they had been entitled. According to Sal, "We have helped Veterans in civilian hospitals to receive proper treatment, Veterans traveling out of State to have their immediate medication and apparatus provided on the spot. We have helped a WWII Veteran in returning to his home by bringing Home Depot, Valspar paints, the VA, and Mission BBQ, together to renovate his home in order to make it handicap friendly for his return. This included a new kitchen, bathroom, flooring, paint the whole house, ramps, and a chair lift to access the second floor, all at zero cost for our Veteran. He was totally over the top with his inability to believe this was really happening."

## Local Band Gained Notoriety Many Years Ago

The Citizens Band of Jonestown was organized about the end of the 19th century. It was an outstanding band and it was invited to play at Presidential inaugurations. In 1876 the band furnished music for the Centennial Exposition at Philadelphia. The band's long illustrious career ended in 1941. John Earnest was the band's director when the band disbanded. Louis Legler, left, is the director shown on this 1912-1915 era postcard photo.
